REACH “WORK & LEARN” Retail and Customer Service Training Program

Let the **REACH** Retail and Customer Service Training Program set the foundation to help you meet your hiring needs!

REACH (Retail Employment Action Career Hub) is a NEW JVS Toronto program for persons with disabilities that offers a “WORK & LEARN” experience assisting candidates to meet employers’ expectations in the retail industry and focuses on their **ability** to do the job.

Successful retail businesses place a high priority on recruiting a diverse workforce that reflects their goals, values and philosophies. Hiring motivated and qualified people facing employment challenges not only makes **good business sense** but also demonstrates **good corporate citizenship**.

JVS Toronto – Helping People Succeed

JVS Toronto is a non-profit community organization that has been connecting people to work for 60 years. JVS works in strong partnership with government and business to assist people from all walks of life to achieve their educational and employment potential.

REACH will help you make the right match

Highly trained and dedicated candidates – Through our collaboration with the Retail Council of Canada, REACH clients receive sector specific training and testing that meet industry standards.

Unpaid placement – Partnering with retail employers provides a great opportunity for qualified candidates to demonstrate their capacity to do the job.

Ongoing support – This innovative program provides free on-the-job coaching by dedicated and experienced staff that can answer questions and offer resources to retail employers for both unpaid placements and paid employment.
