About JVS Toronto

Since 1947, JVS Toronto has empowered people to maximize their potential at work and school by providing job search support, employment counselling, assessments and treatment services across nine locations in Toronto and York Region.

www.jvstoronto.org

Disability and Inclusion Services

Specialized programs for individuals with learning disabilities, ADHD, developmental disabilities, Autism Spectrum Disorder, mental health issues and other challenges.

Pre-Employment Programs

Developing Work Connections

An pre-employment and life skills program for adults, 18 or older, with a developmental disability. On-site and community-based activities enhance pre-employment, personal development and integration into the community.

Person-Directed Planning Initiative

Preparation and support for life transitions, volunteer positions, employment and/or education.

Youth: Community Choices for Success

A pre-employment program offering transitional support services to youth, aged 18 to 29, with a dual diagnosis; mental health diagnosis coupled with a developmental disability.

Assessments

Autism Spectrum Disorder (ASD) Assessments

Identify both strengths and challenges, and diagnose ASD in children, adolescents and adults.

Psychoeducational Assessments

Identify ADHD, developmental disabilities, reading, writing and mathematic challenges.

Paid Employment Programs

ASD Job-Readiness Program

A unique six-month program for individuals, age 18 to 30, who have been diagnosed on the Autism Spectrum, and are struggling to find or maintain employment.

Path 2 Work

An six-month employment program for adults 18 or older developmental disabilities to better understand their learning style and develop strategies to achieve and retain employment.

Project GOLD

A six-month program for adults with learning disabilities and/or Attention Deficit Hyperactivity Disorder to better understand their strengths and challenges in order to achieve and retain employment.

About JVS Toronto

Since 1947, JVS Toronto has empowered people to maximize their potential at work and school by providing job search support, employment counselling, assessments and treatment services across nine locations in Toronto and York Region.

www.jvstoronto.org

Unlock your abilities. Reach your potential.

For info and registration, contact 416-649-1501 or intake@jvstoronto.org.

Psychology Services & Assessments

Know your strengths. Manage your challenges. Build your path to success at school & work.

Assessments

Autism Spectrum Disorder (ASD) Assessments

Utilizing standardized tools to assess social and communication challenges associated with Autism. Assessments identify both strengths and challenges, and diagnose ASD in children, adolescents and adults.

Psychovocational Assessments

Understand your learning and employment profile with a complete psychoeducational and vocational assessments designed to help you make realistic decisions about educational, training and career options.

Psychoeducational Assessments

For youth and adolescents struggling in school, and adults pursuing education, a psychoeducational assessment provides insight into learning strengths and challenges, identifies ADHD, developmental disabilities, reading, writing and mathematic challenges that can interfere with learning.

Vocational Assessments

Identify occupations that are consistent with your aptitudes, interests and physical abilities.

Unlock your potential at school & work.

For info and appointments, contact 416-649-1600 or pave@jvstoronto.org.

Subsidized payments are available to those who qualify.

Psychology Services

Career Counselling

Career counselling will help you identify your interests, skills, personality and values to build a clear picture of what will make you feel happy and fulfilled in your career.

Psychology Treatments

Professional psychological evaluation and treatment plan with an experienced and qualified therapist who will explore and evaluate symptoms related to mental health such as anxiety, depression and anger that may interfere daily life.

School Psychology

A broad, flexible range of psychological and educational services to meet your school's unique needs including individual education plans and assessments to identify ASD, anxiety, learning, and behavioural concerns.

About JVS Toronto
